

Map of the World Oceans, February 2021

AUSTRALIA Independent state
 Bermuda Dependency or area of special sovereignty
 Sicily / AZORES Island / island group

Scale 1:35,000,000
 Robinson Projection
 standard parallels 38°N and 38°S

-  Major port
-  Shipping lane
(line weight indicates significance of route, not volume of traffic)
-  200-nm EEZ (exclusive economic zone) limit

Antarctica
 Twenty-one of 28 Antarctic claimant countries have made no claims to Antarctic territory (although Russia and the United States have reserved the right to do so) and three do not recognize the claims of the other countries.

boundary representation is not necessarily authoritative
